

Welcome to Kamasutra

Just as your dining experience should be a feast for the senses, your wine selection should evoke a passionate pairing of earth and spirit.

Indian tradition holds that beer is best paired with the spicy cuisine, but wines of a certain style hold the key to a unique enlightenment of the palate.

We have selected wines which are sometimes complex, always fruit-driven, soft textured and low in tannin so as to envelop and complement, rather than compete with our cuisine.

From aromatic whites to robust reds, there is something here for everyone. But begin at the beginning...

Sip one of our Signature Martinis, or whet your appetite with a classic Aperitif before the main event.

Do not hesitate to ask for a suggestion.

Your Dining Pleasure
is our Passion!
